NOTE FOR: EA/DDCI

FROM : ADDI

I thought about the suggestion to have Tom work the DDI account with Congress. I am concerned that he does not have enough recent experience with the DDI, its work, and its people. However, he certainly does have experience on the Hill. I understand that Burt Hutchings is looking for an officer to fill a vacancy. Maybe we should just hire him directly into Burt's staff. I don't see him as a substitute for what Bob and I want to do in terms of briefing on the Hill, but he would make a good addition to Burt Hutchings' office.
